ME AND MY WORD OF THE YEAR!

LOOKING BACK

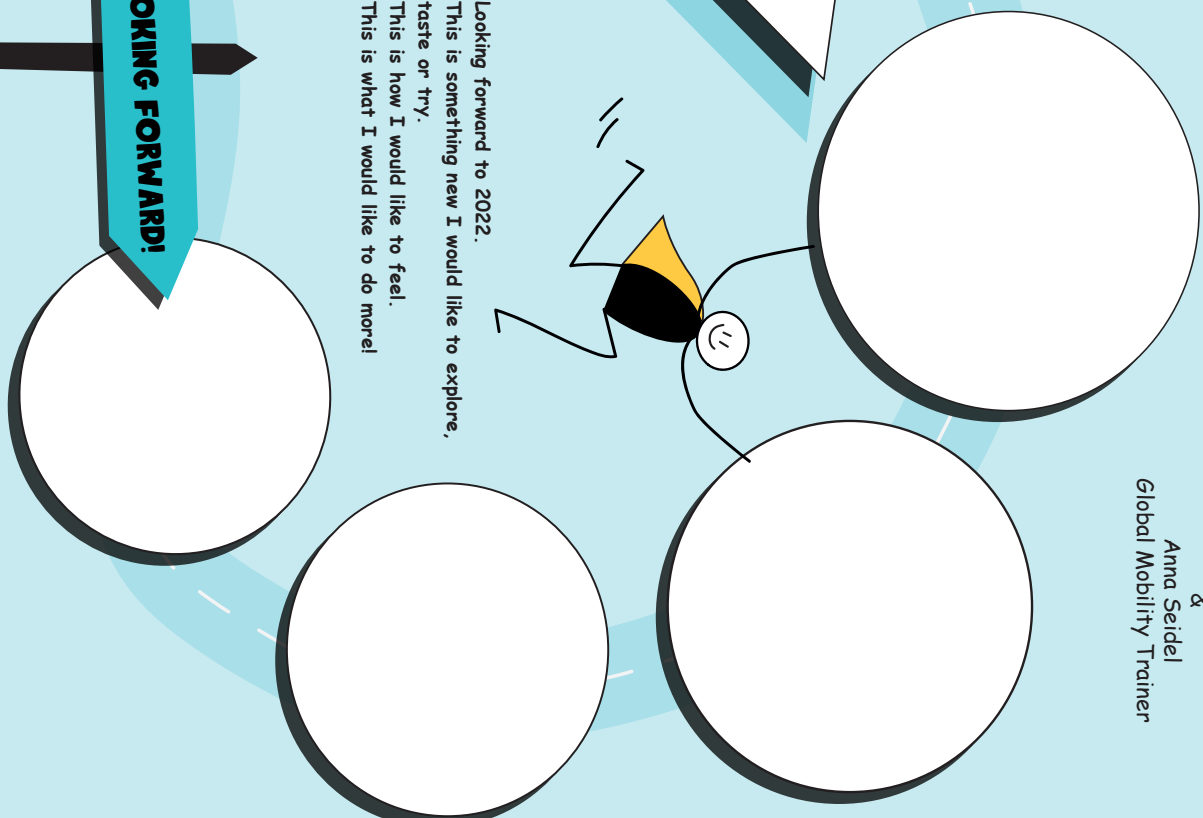

Looking back.
This is what I loved doing.
This is what I tried and learned.
This is what I am proud of!

THIS IS MY WORD OF 2022

Looking forward to 2022.
This is something new I would like to explore,
taste or try.
This is how I would like to feel.
This is what I would like to do more!

LOOKING FORWARD!
