

# DREAM DESTINATIONS

## INTERVIEW

At Me and My Big Move we love to design worksheets and fun games to help empower children for life changing events by exploring, playing and having fun.

**Here is this months printable for you: The Dream Destinations Interview.**

With this template you can interview family members or friends about their dream destinations. Find out all there is to know about their favorite places! Ask questions, let them explain and dream a little with them.

### How to use it?

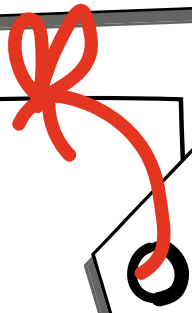

For each interview you can use 1 template. In the template you find a box, where you can draw the person you are going to interview. Or you can place a small picture in it. Think about questions you like to ask. You can use the "question" boxes to prepare and write down your questions. For example, you can ask what is their dream destination? What do they like about their dream destination? Have they already been there? Or even better, create your own questions! What did you discover? After sharing all the nice stories, you can dream together about a place you may like to visit together one day!

Enjoy!
