Create your own envelope

Especially for the greeting cards we created a template to make your own envelope. How cool is that! It is easy and fun to make your own envelope with a piece of paper of your choice.

What you need:

- a print of the template (page 3) on A4 size (8,5 x 11")
- colorful paper A4 size (8,5 x 11")
- scissors
- glue.

And follow the steps on the template! Give it a try.
Happy Valentine!
